EXPERIENCE

Web Development Intern

MURVEN Design And Solutions

📅 April 2024 – Ongoing 📍 Online

- I have worked on an e-commerce site for a stationery shop, which involves customizable name slips, posters, bag tags, etc.
- In this project, I worked on **APIs**, sending data to **AWS S3**, and frontend customization.

UI/UX Intern

AIIRF

📅 June 2023 – July 2023 📍 Online

- In this internship, I learned about the basic color principles and the basic **UI/UX** principles to develop websites that are simple and more user-friendly.
- In this internship, I worked on **Figma** and learned how to interview users for developing **user-friendly websites**.

PROJECTS

E-commerce site for a Stationery Shop

DreamikAI

📅 May 2024 - July 2024

- In this project, I worked on showcasing the different products available in the stationery shop And customizing products such as **customizable name slips**, posters, bag tags, and logo stickers
- And sending data to **AWS S3**, adding products to the cart, **order placement**, and **shipping**.
- Tools used: VS Code, **Figma**, **GitHub**, and **AWS S3**
- 🌐 www.dreamik.com

Personal Portfolio Site

📅 Jan 2023

- I developed a personal portfolio website for myself using **HTML5**, **CSS3**, and **JavaScript**.
- Tools used: VS Code, **GitHub**.

CERTIFICATIONS

- **NPTEL** - Programming in **Java**(mark - 73 percentage)
